

Maé Guillou Di Pasquale

Engineering Student | Lean Management | Continuous Improvement

+33 7 82 65 42 25 • mae.guilloudipasquale@gmail.com • www.linkedin.com/in/maéguillou • Strasbourg 67000, France

Profile

Final-year engineering student at ICAM Strasbourg-Europe, specializing in Lean Management, industrial performance, and continuous improvement. Experienced in implementing Lean principles during previous internships, with proven results in productivity and safety optimization.

Former high-level tennis player at an academy, strategic thinking, and a mindset of continuous progress aligned with Lean philosophy.

Currently seeking a Final Year Project (PFE) abroad to apply technical, managerial, and intercultural skills while contributing to operational excellence.
